

COVID-19 WARNING

We have taken enhanced health and safety measures, including increased cleaning and disinfecting, in an effort to mitigate the risks of COVID-19. However, an inherent risk of exposure to COVID-19 exists in any public place where people are present. To assist in preventing the spread of COVID-19, individuals should not enter and/or use this facility if they are suffering any symptoms of COVID-19. Individuals are encouraged to wear masks while in the facility, and should engage in frequent handwashing and social distancing of at least six feet between other persons.

COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control (CDC), senior citizens and individuals with underlying medical conditions are especially vulnerable to the disease.

By entering and/or using this facility, you voluntarily assume all risks related to exposure to COVID-19.

Let's work together to keep all of us healthy and safe.
