For Immediate Release-----

At the regular monthly board of education meeting on August 20, 2020 the school board of Sevastopol unanimously approved a resolution providing for a referendum election on November 3, 2020 for a non-recurring operating cost referendum of 2.0 million dollars annually for 4 years.

At the end of the 2020-21 school year the existing 2.0-million-dollar non-recurring referendum of 2018 will expire. This upcoming referendum will be seeking to replace this funding. If all other factors remain constant the financial impact will remain the same. Due to the structuring of the debt for the building referendum of 2018 the tax rate should decrease.
