District families with children who are not enrolled in school, or who have children planning to enroll in 4K during the fall of the 2024-2025 school year, are encouraged to attend.

This is the second of two district developmental screenings being conducted with other Child Find activities. Child Find is a continuous process of public awareness activities, screening and evaluation designed to locate, identify, and refer all children ages 3-21 who are in need of an Early Intervention Program (Part C) or Early Childhood Special Education (Part B) services as outlined by the Individuals with Disabilities Education Act (IDEA).

For more information, contact Pupil Services Director Melissa Marggraf at (920) 743-6282 Ext. 1111 or contact Sue Anschutz Ext. 1132 to schedule a screening appointment.
