## COLLEGE VISITATION VERIFICATION

It is understood that the purpose of a college visit is to provide an interested student with an opportunity to participate in a formal campus visit. Included in the visit should be a meeting with an admission counselor who can provide information, conduct a tour and answer specific questions about various departments.

When you are in the Admissions Office, please have the counselor you speak with sign this form in the space provided to **verify your visit**. If your form is not signed the visit **will not** be considered an excused absence.

Student's Name \_\_\_\_\_
